**[Click Here to Register](#)**

After registering for the webinar, please expect to receive a confirmation email message. A reminder email message will be sent both one day and one hour before the event is scheduled to begin.

This presentation is a live event and **will not be recorded for future CE accreditation.**

This presentation is pending approval for 1 hour of continuing education credit in jurisdictions that are RACE approved, and by the OVMA Continuing Education Recognition Program, the OAVT Accredited Continuing Education Program and the OMVQ Scientific training category. Attendees will receive an email communication to document the CE credit for all programs that grant approval.
