Onward and Upward: CHALLENGING THE STATUS QUO THROUGH COURAGE AND CREATIVITY

Amy Oliver, MBA, BScPh, RPh, PMP, CLC
CEO and Founder, Amy Oliver + Co

Join Amy Oliver for an engaging and dynamic session where you'll be encouraged to challenge the status quo and engage in creativity, self-compassion, and meaningful work.

Together we will challenge the norms, stereotypes, and individual, organizational, and societal changes that are needed to build a practice that delivers on what you need from your work, and not only what your work needs from you.

Walk away with strategies to own your engagement, craft your career, and find the courage to live through your work. Learn to sit inside your discomfort and use it to differentiate yourself by embracing values and creating broader practice change. You will leave this session wanting to reset and write the narrative in your own story.
