1.5 hours*

45 min. presentation
45 min. case-based review

Scan this QR code to retrieve a "case submission" form. Submit the details of the case to the moderator (natasha.smith@virbac.ca) prior to the webinar. Cases will be selected for discussion, by Dr. Radosta, during the case-based review portion of the webinar. Please be advised that this information may be shared publicly. Please exclude any information that should be kept private and/or confidential.

Dr. Radosta is a sought after speaker nationally and internationally. She is a coauthor of several books including: Behavior Problems of the Dog and Cat, 4th edition and From Fearful to Fear Free. She is a contributing author for Blackwell's Five Minute Veterinary Consult, Blackwells Five-Minute Veterinary consult Clinical Companion: Canine and Feline Behavior, Decoding your Cat, Canine and Feline Behavior for Veterinary Technicians and Nurses and Feline and Small Animal Pediatrics. Her new textbook, and book of Behavior Problems of the Dog and Cat, 4th Edition is due out May, 2023. She has published research articles in the Journal of Applied Animal Behavior Science, Journal of Veterinary Behavior and The Veterinary Journal and written review articles for Advances in Small Animal Medicine and Surgery, Compendium, NAVC, Veterinary Team Brief, Clinician's Brief and AAHA Newstat. She has served on the Fear Free Executive Council and the AAHA Behavior Management Task Force. She has been interviewed for many publications including Cat Fancy, Dog Fancy, Palm Beach Post, NAVC Clinician's Brief, Sun Sentinel, WebMD, AAHA trends, Real Simple, Good News for Pets, Catster, DVM 360 and AAHA News Stat. She has appeared on Lifetime television, Laurie Live, local news in southeast Florida, Mitch Wilder's Amazing Pet Discoveries, Nat Geo Wild, Animal Planet, Steve Dale's Pet Talk and Dogs, CNBC and Cats and Scapegoats.

*Our presentation is pending approval for Continuing Education. Attendees (who participate live for one hour) will receive an email communication to document the CE credit for all associations that grant approval (7-14 business days after the event). This presentation is a **live event** and will **not be recorded** for future CE accreditation.
