FAQs

Q. What is the current CE cycle for Veterinarians and Veterinary Technologists?

- A. Veterinarians: December 1, 2023 – November 30, 2025
Veterinary Technologists: June 1, 2024 – May 31, 2026

Q. How many CE hours am I required to obtain during the current CE cycle?

- A. Members are required to obtain 30 hours in the 24 month CE cycle.

Q. Does the MVMA keep track of my CE hours?

- A. No. The MVMA does not keep track of members' CE hours. Members must maintain evidence of their CE credit completion.

Please see the below resources to help members record their CE hours:

- [CE Credit Record Card](#) – This form helps members keep track of the total number of CE hours completed over a reporting period.
- [CE Personal Credit Record Evidence Form](#) – This form helps members keep the information required for audits when a CE activity does not provide a Certificate of Completion.

Q. Am I required to submit my CE hours to the MVMA?

- A. No. Members are not required to submit evidence of CE credit completion unless selected for a CE audit.

Q. Is there a carry forward of CE hours from a previous cycle?

- A. No. There is no carry forward of CE hours from a previous cycle.

Q. Does the MVMA pre-approve CE?

- A. No. Many different activities are eligible for CE credit. Each member must consider which CE activities are most appropriate for their professional growth and competence and also determine if the CE activities meet the MVMA's CE definition as well as the number of eligible CE hours.
